WINGS MN (mini)SUMMIT:
*Best Practices in Supported Medical
Decision Making Virtual Event*
October 21, 2020
2:45 - 3:00
gathering/logging in/opening comments
3:00 - 4:30
Program**

When a person's ability to make decisions is impaired, or is thought to be impaired, who will be involved in making medical decisions? How will those decisions to be made? What resources, laws, and ethical standards apply?

Don't miss your chance to participate in this wide-ranging interactive discussion, featuring panelists from a broad range of roles and perspectives. Attendees will be able to submit questions to the panelists.

- **Dr. Victor Sandler** (*M Health Fairview*): a physician with over 40 years of practice in geriatrics, palliative care, and hospice;
- **Melissa Johnson** (*VOA MN Care Management & Consultation Services*): a medical social worker and care manager with over 20 years of experience;
- **Lucas Spaeth** (*VOA MN Estate and Elder Law Services*): an elder law attorney representing clients in advance directives for health care, supported decision-making agreements, and guardianship/conservatorship issues;
- **Jamie Majerus**, (*Minnesota Judicial Branch*): Audit Manager and a person with direct experience as a family supporter and health care agent in medical decision-making;
- **Jennifer Wright**, Moderator, an elder law attorney and family supporter.
